

My favorite toy car is small, shiny, and red. It has big wheels that roll fast when I push it. The car makes cool racing sounds, and I love pretending to race it with my friends. On sunny days, we play outside, and I drive my toy car on the sidewalk. I imagine I am a race car driver winning a big competition. Sometimes, I take my car on adventures around the house. I create obstacle courses using cushions and toys. My toy car always zooms over the obstacles! I take good care of it because it makes me happy. Every time I see it, I smile. That's why my toy car is my favorite!
