

My favorite toy is my doll named Bella.

She has long, shiny hair that I love to brush.

Her dress is pink with sparkles that shine in the light.

Bella's eyes are bright blue, and she has a big smile.

I take Bella everywhere, even to the park!

When I feel sad, she makes me happy.

We play tea parties and pretend to be princesses.

I tell her my secrets, and she always listens.

At bedtime, Bella goes to sleep beside me.

She is not just a toy; she is my best friend!
