

The ice cream van is a special truck that drives around neighborhoods and parks, especially on sunny days. When it stops near your home or school, it usually plays a happy jingle, like a little song that lets everyone know it has arrived.

When the van's driver opens the sliding window, kids get super excited because they can see all the yummy ice cream treats inside! There are lots of choices like ice cream cones, popsicles, and sundaes. Children can line up to pick their favorites and buy a delicious treat.

Buying ice cream from the van is a fun treat because it means enjoying something cold and sweet, especially when the weather is warm. It's also a great way to hang out with friends and enjoy a little sunshine!
