

When your child learns with Mr. Fox comprehension, they are diving into a fun way of understanding stories! Here's how it works step by step:

1. **Reading Together:** First, your child reads the story about Mr. Fox, which is usually exciting and has lots of interesting characters.
2. **Asking Questions:** After reading, you can ask your child questions about what happened in the story. For example, you might ask, 'What did Mr. Fox do to outsmart the farmers?' This helps them think carefully about the main ideas.
3. **Discussing Characters:** Talk about the different characters. Who is Mr. Fox? What makes him special? Understanding characters helps your child relate to the story.
4. **Looking for Clues:** Teach your child to look for hints in the story that tell us more about what the characters are feeling or thinking. This can improve their inference skills.
5. **Vocabulary Building:** There might be new words in the story. When you come across them, explain what they mean or find similar words together. Learning new vocabulary is fun!
6. **Drawing or Summarizing:** After reading, ask your child to draw a picture of their favorite scene or summarize the story in a few sentences. This helps them remember and understand the story better.
7. **Connecting to Real Life:** Finally, relate the story to real life. Ask questions like, 'Have you ever had to be clever like Mr. Fox?' This makes the learning experience personal and memorable.

By engaging in these activities, your child will not only enjoy the story of Mr. Fox but also build crucial reading comprehension skills that will help them in school!
