

What are Magic E Words?

Magic E words are special words that have an 'e' at the end. This 'e' is magical because it changes the sound of the vowel that comes before it! It makes the vowel say its name instead of its sound.

Examples of Magic E Words

Let's look at some examples:

- **Cap** becomes **Cape**: The 'a' changes to the long sound, like saying 'a'.
- **Pin** becomes **Pine**: The 'i' turns into the long sound 'eye'.
- **Not** becomes **Note**: The 'o' changes to the long sound 'oh'.
- **Tim** becomes **Time**: The 'i' changes to the long sound.

How to Play with Magic E Words

Here are some fun games you can play to learn Magic E words:

1. Magic E Matching Game

Write down a list of simple words without e (like cap, tap, and rid) and another list with the same words but with e at the end (cape, tape, ride). Mix them up and try to match the pairs!

2. Magic E Scavenger Hunt

Look around your house or classroom for items that are Magic E words. For example, you can look for a **cake** in the kitchen or a **zone** in a book!

3. Magic E Story Time

Try to create a short story using as many Magic E words as you can! This will help you remember them while having fun.

Conclusion

Magic E words are not just fun; they help make reading easier and more enjoyable. By playing these games, you'll get better at recognizing them. Happy learning!
