

What is a Carrom Board?

A carrom board is a fun game that you can play with friends or family. It is like a small table that has a wooden or plastic surface, and it has small round pieces called **carrom men** and a big one called the **queen**. The board has pockets on each corner, where you try to put the pieces.

How to Play Carrom

Playing carrom is easy and exciting! Here's a simple way to understand how to play:

1. **Set Up:** First, we place the carrom men in the middle of the board. They are arranged in a circle with the queen in the center.
2. **Get Your Striker:** Each player gets a special piece called a **striker**. It's bigger than the carrom men and is used to hit them.
3. **Take Turns:** Players take turns flicking the striker to hit the carrom men into the pockets. You need to use your finger to push the striker!
4. **Scoring:** If you get your carrom men into the pockets, you earn points. If you put the queen in, you get extra points too!
5. **Winning:** The game continues until all pieces are in the pockets. The player with the most points wins!
