

What is Talking Robby?

Talking Robby is an interactive companion designed to make learning fun for kids, especially for those around 12 years old. He can ask you questions, play different sounds, such as animal noises, and share interesting facts!

How to Play with Talking Robby

1. **Choose a Card:** First, you need to decide which card or activity you want to enjoy with Robby. These cards might be themed around animals, letters, or quizzes.
2. **Activate the Card:** Once you have chosen a card, activate it. This means you'll let Robby know that you're ready to start playing! This could involve pressing a button or saying a command.
3. **Take the Quiz:** Robby will then ask you a series of questions related to the card you chose. It could be about the sounds animals make or facts about them. Answering these questions helps you learn while having fun!
4. **Listen to Sounds:** During the quiz, Robby may play sounds like animal noises, which will help you associate the sounds with the animals. For instance, if Robby says 'dog,' he might bark, or if he mentions a cat, you might hear a 'meow.'
5. **Fun Facts:** After the quiz questions, Robby will often share exciting or surprising facts about the animals or letters you've been learning about. This is a great way to gain knowledge while having fun!

Why is Talking Robby Great for Learning?

Talking Robby makes learning interactive and enjoyable. Kids can learn at their own pace and engage with sounds and questions that capture their attention. This method of learning is not only educational but also entertaining, making it perfect for 12-year-olds looking to explore and discover new information!
