

# Understanding the Mentorship Packages

Imagine you want to grow a big, beautiful garden. Just like plants need sunlight, water, and care to grow, people need guidance to achieve their dreams. These mentorship packages are like special gardening tools to help you grow in your personal life and business. Let's break down each package step by step:

## 1. Peak Value - \$6999.99

This package is for serious dreamers and doers who want to transform their lives completely. Think of it as a superhero training program!

- **Weekly 30-Minute Private Calls:** You'll have chats with a mentor to help you tackle problems and plan for success.
- **Daily Personalized Messaging:** You'll get special messages each day to keep you motivated and focused on your goals.
- **Custom Weekly 60-Minute Shamanic Sessions:** These sessions help you heal from past issues and build a stronger self.
- **Daily Tasks & Sacred Teachings:** You'll get activities and lessons to help you grow every day.
- **Monthly Spiritual Sigils:** These are like magical symbols that help guide you towards success.
- **Deep Energetic Work:** Special sessions to balance your energy and improve your life.

This package is perfect for someone who really wants to take charge of their life!

## 2. Top Tier Value - \$333

This is a simpler package for those who are committed but may not want to go all in yet. Think of it like a basic gardening kit.

- **Sacred Teachings:** You'll learn important concepts for personal growth.
- **Priority WhatsApp Access:** You can ask questions and get quick responses!
- **Custom Prayers, Rituals, and Invocations:** Special audio recordings to help you stay on track.
- **Monthly Spiritual Sigils:** Unique symbols to support your personal journey.
- **Monthly Deep Energetic Work:** Sessions to keep your energy aligned and balanced.

This package is great for someone who is exploring their spiritual journey but still wants solid support!

## 3. Unbeatable Value - \$111

This is the starter package for anyone new to personal growth. Think of it as your first gardening tools.

- **Spirit-Led Visualizations:** Guided activities that help you imagine your best life.
- **Meditations or Shamanic Journeys:** Fun and relaxing activities to help you feel powerful.
- **Personal Voice Messages:** Messages from your mentor filled with positive energy and advice.
- **Monthly Spiritual Sigils:** Like the other packages, you'll also get supportive symbols.
- **Weekly Energetic Work:** Regular activities to help heal and align your energy.

This package is perfect for beginners who want to explore their potential and learn something new every day!

In summary, each of these mentorship packages is designed to help you grow and achieve your dreams in different ways. Choose the one that feels best for where you are on your journey!
