

The word 'cum' can be a bit tricky because it has different meanings depending on how it's used. For a 9-year-old, it's important to understand it in a simple and safe way.

1. **Basic Meaning:** The word 'cum' is often used in Latin, and it means 'with'. For example, in a combination like 'English cum Math', it means 'English with Math'.
2. **Usage in School:** In school, you might hear 'cum' when talking about subjects that are taught together, like in a lot of competitions or classes. Like, if there are special programs that combine Art cum Music, it means those two subjects are taught together.
3. **Importance to Remember:** It's important to use the word 'cum' appropriately and understand the context it is used in, just like any other word.

So whenever you see 'cum', try to think about if it's being used to mean 'with' or if it's part of a specific topic or context.
