

## Objective

By the end of this lesson, you will be able to recognize and identify the sounds of the alphabet.

## Materials and Prep

- Minecraft-themed flashcards with letters of the alphabet
- Computer or tablet with Minecraft installed
- Pen and paper for note-taking

## Activities

- Activity 1: Minecraft Letter Hunt  
Explore the Minecraft world and search for objects that start with different letters of the alphabet. Write down the objects you find and their corresponding letters.
- Activity 2: Alphabet Sound Match  
Use the Minecraft-themed flashcards and match each letter with its corresponding sound. Practice saying the sounds out loud.
- Activity 3: Alphabet Song  
Sing the Minecraft version of the alphabet song while pointing to the corresponding letters on the flashcards.

## Talking Points

- "Today, we are going to have a fun lesson about the sounds of the alphabet, just like the sounds we hear in Minecraft!"
- "The alphabet is made up of 26 letters, and each letter has its own sound."
- "When we say the sounds of the alphabet, it helps us read and write words."
- "Let's explore the Minecraft world and find objects that start with different letters. For example, we can look for a tree that starts with the letter 'T'."
- "Now, let's use our Minecraft-themed flashcards to match each letter with its sound. Can you make the 'S' sound like when you hear a creeper hissing?"
- "We can also sing the Minecraft version of the alphabet song. It's a fun way to remember the letters and their sounds!"
- "Great job today! You learned about the sounds of the alphabet through Minecraft activities. Keep practicing and soon you'll be a Minecraft alphabet expert!"
