

## Objective

By the end of the lesson, the student will have a better understanding of Monster High characters and be able to engage in imaginative play using their favorite characters.

## Materials and Prep

- Monster High dolls or action figures
- Monster High coloring pages or printouts
- Blank paper and coloring supplies
- Optional: Monster High books or videos

## Activities

- **Create Monster High Stories:** Encourage the student to use their imagination and create their own Monster High stories using the dolls or action figures. They can act out different scenarios or come up with new adventures for the characters.
- **Coloring Fun:** Provide Monster High coloring pages or printouts for the student to color. They can use their favorite colors and get creative with their designs.
- **Design Your Own Monster High Character:** Give the student blank paper and coloring supplies to design their own Monster High character. They can draw a unique character with special powers and features.
- **Monster High Fashion Show:** Have a mini fashion show with the Monster High dolls or action figures. The student can dress them up in different outfits and create their own runway show.
- **Watch Monster High Videos:** If available, watch Monster High videos or read Monster High books together. This will further immerse the student in the world of Monster High and spark their imagination.

## Talking Points

- "Who is your favorite Monster High character? Let's learn more about them!"
- "What kind of story would you like to create with the Monster High dolls?"
- "What colors do you want to use to bring your Monster High drawing to life?"
- "Let's have a fashion show! How would you like to style the Monster High dolls?"
- "What do you like most about Monster High? Is there a favorite video or book you enjoy?"
