

## Objective

By the end of this lesson, you will learn about different subjects through the theme of "Turning Red" and have fun exploring various activities related to Art, English, Foreign Language, History, Math, Music, Physical Education, Science, and Social Studies.

## Materials and Prep

- Paper and coloring materials
- Internet access for research
- Enthusiasm to learn!

## Activities

- **Art:** Draw your favorite scene from "Turning Red" and color it in using bright colors.
- **English:** Write a short story about a magical red panda just like the one in the movie.
- **Math:** Count how many red items you can find in your house and write the numbers down.
- **Music:** Listen to the movie soundtrack and dance along to the beats.
- **Science:** Research about red pandas and create a fun fact sheet about them.
- **Physical Education:** Practice some yoga poses inspired by animals, including the red panda pose.
- **Social Studies:** Learn about China, where the movie is set, and explore its culture and traditions.

## Talking Points

- **Art:** "Let's use our imagination to draw and color a magical scene from the movie!"
- **English:** "Words can help us create amazing stories just like the one we watched."
- **Math:** "Numbers are all around us! Let's count and have fun with them."
- **Music:** "Music can make us feel different emotions. Let's dance and enjoy the rhythm!"
- **Science:** "Learning about animals can be fascinating. What fun facts did you discover?"
- **Physical Education:** "Moving our bodies is important. Let's try some fun animal yoga poses!"
- **Social Studies:** "Exploring different cultures helps us understand the world better. What did you find interesting about China?"
