Objective

By the end of this lesson, you will be able to analyze the impact of social media on society and understand the importance of responsible social media usage.

Materials and Prep

- Device with internet access
- Notebook and pen

No prior knowledge required, just an open mind and willingness to engage in discussions.

Activities

- Research and Present: Choose a social media platform and research its history, features, and impact on society. Create a short presentation to share with the class.
- Social Media Scavenger Hunt: Explore different social media platforms and identify positive and negative aspects of each. Write down your findings and discuss them with a family member or friend.
- Create a Social Media Policy: Develop a set of guidelines for responsible social media usage. Include tips on privacy settings, online etiquette, and dealing with cyberbullying.
