

Objective

By the end of this lesson, you will be able to analyze and discuss true crime cases with a better understanding of the English language.

Materials and Prep

- A notebook and pen
- A computer or tablet with internet access
- Basic knowledge of some famous true crime cases

Activities

- **Case Study:** Choose a famous true crime case and research it online. Take notes on key details such as the crime, suspects, and investigation.
- **Crime Scene Report:** Pretend to be a detective and write a detailed report of a crime scene from a true crime case. Describe the setting, evidence, and possible suspects.
- **Debate Time:** Pick a controversial aspect of a true crime case and debate it with a family member or friend. Practice using persuasive language and supporting your arguments.

Talking Points

- **What is true crime?**
"True crime is about real crimes that have happened in the past. It's like being a detective and trying to solve the mystery."
- **Why do people find true crime interesting?**
"People are curious about mysteries and solving puzzles. True crime stories can be like real-life detective stories."
- **How can analyzing true crime cases improve your English skills?**
"By reading and discussing true crime cases, you can practice reading comprehension, critical thinking, and vocabulary skills."
