

Objective

By the end of this lesson, you will be able to recognize and appreciate the main artists of the 1800s and understand their impact on art history.

Materials and Prep

- Paper and coloring supplies
- Internet access for research
- Enthusiasm for learning!

Activities

- **Artist Research:** Choose one artist from the 1800s (e.g., Vincent van Gogh, Claude Monet) and create a mini poster with their picture and some fun facts.
- **Artwork Recreation:** Select a famous painting from the 1800s and try to recreate it using your own style and colors.
- **Art Museum Visit:** Take a virtual tour of an art museum online and explore paintings from the 1800s.

Talking Points

- **Introduction to 1800s Art:** "In the 1800s, artists created beautiful paintings that showed nature, emotions, and everyday life."
- **Famous Artists:** "Vincent van Gogh was known for his colorful and bold paintings, while Claude Monet painted peaceful scenes of gardens and water lilies."
- **Art Styles:** "Some artists used realistic details in their paintings, while others used bright colors and blurry shapes to show feelings."
- **Impact of Art:** "Art from the 1800s inspired people to see the world in new ways and express themselves through painting."
