

## Objective

By the end of this lesson, you will have a better understanding of Fortnite strategies and tactics.

## Materials and Prep

- Computer or gaming console with Fortnite installed
- Internet connection for accessing Fortnite resources

No prior knowledge required, just a willingness to learn and have fun!

## Activities

- **Activity 1: Building Basics**  
Practice building structures quickly in Fortnite Creative mode. Learn the different types of structures and their uses.
- **Activity 2: Strategy Sessions**  
Analyze gameplay videos of professional Fortnite players and discuss their strategies. Try to implement some of these strategies in your own games.
- **Activity 3: Team Tactics**  
Play duos or squads with a friend or family member. Coordinate your tactics and communication to achieve victory.

## Talking Points

- **Building is Key**  
"In Fortnite, mastering building is crucial for both defense and offense. Quick building can give you the upper hand in a fight."
- **Map Awareness**  
"Knowing the map layout and key locations can help you plan your movements and strategy better. Always be aware of the storm circle!"
- **Weapon Selection**  
"Each weapon in Fortnite has its strengths and weaknesses. Choose your loadout wisely based on your playstyle and the situation."
- **Communication is Key**  
"Playing as a team requires good communication. Make sure to call out enemy positions, share resources, and coordinate your actions."
- **Practice Makes Perfect**  
"Improvement in Fortnite, like any skill, comes with practice. Don't get discouraged by losses, use them as opportunities to learn and get better."
