## Talking Points

- **Understanding Characters:** Characters are like people in a story. They have feelings, thoughts, and actions. What do you think the main character in our story is feeling right now?
- **Exploring New Words:** When we come across new words, it's like discovering treasures. Can you share with me one new word you found today and its meaning?
- **Summarizing the Story:** Summarizing means telling the main parts of the story in a shorter way. Can you tell me what happened at the beginning, middle, and end of our story?
