

Objective

By the end of this lesson, you will be able to trace and write the name "Hayden" with confidence!

Materials and Prep

- Printed Name Tracing Sheet for "Hayden"
- A pen or pencil
- A flat surface to work on

No prior knowledge required!

Activities

- Practice tracing the letters of "Hayden" on the name tracing sheet. Start with capital 'H' and then move on to 'a', 'y', 'd', 'e', 'n' in order.
- After tracing, try writing the letters of "Hayden" on a blank sheet of paper. Take your time and make sure to follow the lines carefully.
- Decorate your name! Use crayons or markers to add colors and designs around the traced and written name "Hayden".

Talking Points

- "Let's start by tracing the big letter 'H'. Remember to start at the top and go down!"
- "Now, let's move on to the letter 'a'. Start at the top, go down, then up and around like a circle!"
- "Great job! Next is the letter 'y'. Start at the top, go down, then make a slant, go down again, and make a tail!"
- "Now, let's try the letter 'd'. Start at the top, go down, make a curve, then add a tail going up!"
- "Almost there! Let's do the letter 'e'. Start at the top, go down, make a curve, then add a line across!"
- "Last letter! 'n'. Start at the top, go down, make a slant, then another slant going down!"
