

Objective

By the end of this lesson, you will be able to cook a simple German dish, play a short piece on the piano, sing a German song, and have a basic conversation in German and English.

Materials and Prep

- Cooking ingredients for a German dish
- Piano or keyboard
- Lyrics to a German song
- Pen and paper
- Enthusiasm and willingness to learn!

Before starting the lesson, make sure you have all the materials ready and a positive attitude to enjoy the activities.

Activities

- **Cooking:** Follow a simple German recipe and prepare a traditional dish like Schnitzel or Spaetzle.
- **Piano:** Practice playing a short piece or learn a new melody on the piano or keyboard.
- **Singing:** Learn and sing a German song. Focus on pronunciation and expression.
- **Language Practice:** Have a conversation in German with a family member or practice English vocabulary and phrases.

Talking Points

- **Cooking:** "Let's start by gathering the ingredients for our German dish. Remember to follow the recipe step by step."
- **Piano:** "Practice playing each note slowly and then gradually increase your speed. Enjoy the music you create."
- **Singing:** "Focus on pronouncing the German words clearly and try to convey the emotions of the song through your voice."
- **Language Practice:** "Try to use the new German phrases in a conversation. It's okay to make mistakes, that's how we learn."
