

Objective

By the end of this lesson, you will have a better understanding of Medieval Europe knights and their role in history.

Materials and Prep

- Pen and paper
- Internet access for research
- Interest in learning about Medieval Europe

Activities

- **Knight Code of Chivalry:** Research and create your own code of chivalry. Include values that you think are important for a knight to uphold.
- **Design Your Own Coat of Arms:** Learn about the significance of coats of arms for knights. Design your own coat of arms that represents you and your values.
- **Medieval Weaponry:** Explore different types of medieval weapons such as swords, shields, and armor. Draw and label these weapons to understand their use.

Talking Points

- **Knights were skilled warriors:** "Knights were trained from a young age in combat and warfare, becoming skilled warriors ready to defend their lords and lands."
- **Code of Chivalry:** "Knights followed a code of chivalry that included virtues like bravery, loyalty, and honesty, aiming to protect the weak and uphold justice."
- **Role in Medieval Society:** "Knights held a prominent position in medieval society, serving as protectors of the realm and playing key roles in battles and tournaments."
- **Armor and Weapons:** "Knights wore heavy armor and wielded weapons such as swords and lances, which were crucial for their success in combat."
- **Decline of Knights:** "With the changing times, the role of knights evolved, and their importance in society declined as new forms of warfare emerged."
