

Objective

By the end of this lesson, you will have a better understanding of London's culture, history, and landmarks.

Materials and Prep

- Pen and paper
- Access to the internet
- Curiosity about London

No prior knowledge needed, just an open mind and willingness to learn!

Activities

- **Literary Adventure:** Read an excerpt from "Oliver Twist" by Charles Dickens and discuss how London is portrayed in the book.
- **Virtual Tour:** Take a virtual tour of the Tower of London and make a list of interesting facts about the historical site.
- **London Calling:** Listen to a popular song about London (e.g., "London Calling" by The Clash) and analyze the lyrics for references to the city.

Talking Points

- **London's History:** "London has a rich history dating back to Roman times. It has seen kings and queens, wars, and great events."
- **Landmarks:** "Famous landmarks in London include Big Ben, the Tower Bridge, and Buckingham Palace. Each has its own unique story."
- **Cultural Diversity:** "London is a melting pot of cultures, with people from all over the world living and working here. This diversity is reflected in the city's food, art, and music."
- **Theatre Scene:** "London's West End is famous for its theatres and musicals. It's a hub for entertainment and a must-visit for any theatre lover."
