

Objective

By the end of this lesson, the student will be able to analyze and discuss the pros and cons of the Media.

Materials and Prep

Materials: Paper, pen, computer with internet access

Preparation: Familiarize yourself with different types of media and their impact on society.

Activities

- Research and create a poster with examples of positive and negative effects of media on individuals and society.
- Write a short essay discussing how media influences public opinion and decision-making.
- Watch a documentary or read an article about media bias and discuss your findings.

Talking Points

- "Media plays a crucial role in shaping public opinion and influencing societal norms."
- "One of the benefits of media is its ability to spread awareness and information quickly."
- "However, media can also perpetuate stereotypes and misinformation, leading to negative consequences."
- "It's important to critically analyze the sources of media we consume to distinguish fact from opinion."
