

## Objective

By the end of this lesson, you will be able to enhance your English skills through fun Lego-themed activities.

## Materials and Prep

- Lego bricks and minifigures
- Paper and colored pencils
- Imagination and creativity!

No prior knowledge needed, just bring your enthusiasm for Lego!

## Activities

- Build a Lego scene and write a short story about it. Use your imagination to create characters and plot!
- Create a comic strip using Lego characters. Write dialogue and narration to tell a story in a fun way.
- Design your own Lego set and write a description for the box. Include details like piece count and special features.

## Talking Points

- Quotation: "Today, we are going to have fun with Lego while improving our English skills!"
- Quotation: "Let's use our creativity to build a Lego scene and write an exciting story to go along with it."
- Quotation: "Imagine your Lego characters coming to life in a comic strip. What will they say and do?"
- Quotation: "Design your dream Lego set and think about how you would describe it to others. What makes it special?"
- Quotation: "Remember, there are no limits to what you can create with Lego and your imagination. Have fun exploring English through play!"
