

## Objective

By the end of this lesson, the student will be able to trace the dot alphabet from A to Z.

## Materials and Prep

Materials needed: Dot alphabet tracing sheets, pencil

Prep: Print out dot alphabet tracing sheets and have them ready for the lesson.

## Activities

- Introduce the dot alphabet tracing sheets to the student. Show how to trace the dots to form letters.
- Guide the student through tracing the letters A to Z on the dot alphabet sheets.
- Encourage the student to practice tracing the letters independently.

## Talking Points

- "Let's start by tracing the dot alphabet together. We'll follow the dots to make letters."
- "Great job tracing the letter A! Now let's move on to the letter B. Remember to follow the dots."
- "You're doing amazing tracing the dot alphabet! Keep practicing to get even better at forming letters."
