

## Objective

By the end of this lesson, you will be able to play the fun card game Snap and practice your observation skills.

## Materials and Prep

- A deck of playing cards
- A flat surface to play on
- Make sure you know the numbers and suits of the cards

## Activities

- **Card Matching:** Spread out the deck of cards face down. Take turns flipping two cards at a time to find matching pairs. This will help you practice your memory and observation skills.
- **Learning the Rules:** I will show you how to play Snap. Pay attention to the numbers and suits on the cards to know when to shout "Snap!"
- **Practice Rounds:** We will play several practice rounds of Snap together. Remember to pay close attention to the cards and be quick to call out "Snap!" when you see a match.

## Talking Points

- **Observation Skills:** "Let's look carefully at the cards to find matching pairs."
- **Game Rules:** "Remember, when two cards match, shout 'Snap!' to win the pile."
- **Practice Makes Perfect:** "The more we play, the better we'll get at spotting the matches."
- **Have Fun:** "Playing games is all about having fun and enjoying our time together."
