

Objective

By the end of this lesson, you will be able to create a special Mother's Day card for your mom using your creativity and imagination.

Materials and Prep

- Colorful paper
- Markers or crayons
- Scissors
- Glue
- Stickers (optional)

No prior knowledge is needed for this lesson, just your enthusiasm and creativity!

Activities

- Create a Mother's Day card by folding a piece of colorful paper in half. Decorate the front with drawings, messages, and stickers.
- Write a heartfelt message inside the card for your mom. You can thank her for all the wonderful things she does for you.
- Cut out flower shapes from colored paper and glue them onto the card to make it even more special.
- Create a matching envelope for your card by folding and decorating another piece of paper.

Talking Points

- Today, we are going to make a special card for our moms because Mother's Day is coming up soon.
- Let's use our favorite colors to make the card bright and beautiful. What colors do you think your mom will like?
- Think about all the things your mom does for you. You can write a message inside the card to thank her for those things.
- Flowers are a symbol of love and appreciation. Let's add some colorful flowers to our card to make it extra special.
- When we give our handmade card to our mom, it will show her how much we care about her and appreciate everything she does for us.
