

Objective

By the end of this lesson, you will have learned about the art of creating realistic-looking cakes and its history, while improving your English skills through reading and writing activities.

Materials and Prep

- Paper and pen/pencil
- Access to the internet for research
- Imagination and creativity!

Activities

- **Art:** Draw a picture of a cake that looks like something else (e.g., a shoe, a plant) and color it in.
- **English:** Write a short story about a magical cake that can grant wishes.
- **History:** Research the origins of cake decorating and create a timeline of key events in the history of cake artistry.

Talking Points

- **What is the art of creating realistic-looking cakes?**
"Imagine being able to make a cake that looks like a real object, such as a shoe or a plant. It's like magic with frosting!"
- **Why is cake artistry so special?**
"Cake artistry is special because it combines creativity and baking skills to create edible works of art that can surprise and delight people."
- **How has cake decorating evolved over time?**
"Cake decorating has a long history, from simple designs to incredibly detailed creations. People have been decorating cakes for centuries!"
- **What can we learn from the history of cake decorating?**
"By learning about the history of cake decorating, we can appreciate the skill and artistry that goes into making beautiful cakes today."
