

Objective

By the end of this lesson, you will be able to create your own Pokemon character and draw a fun Pokemon-themed scene.

Materials and Prep

- Plain white paper
- Colored pencils or markers
- Pencil and eraser
- No prior knowledge required!

Activities

- **Pokemon Character Creation:** Start by designing your own Pokemon character. Think about its type, powers, and appearance.
- **Pokemon Scene:** Once your character is ready, draw a scene where your Pokemon is battling another Pokemon or exploring a new environment.
- **Pokemon Card:** Create a Pokemon card for your character. Include its name, type, abilities, and a cool artwork of your Pokemon.

Talking Points

- **What is a Pokemon?**
"Pokemons are creatures with special abilities and powers. They come in different shapes and sizes."
- **Designing Your Pokemon:**
"Think about what type your Pokemon is - fire, water, grass, or something else. What powers does it have?"
- **Drawing Your Scene:**
"Imagine a cool battle or adventure scene for your Pokemon. Use your favorite colors to make it pop!"
- **Creating a Pokemon Card:**
"A Pokemon card has important details about your character. Make sure to include its name, type, and abilities!"
