

Objective

By the end of this lesson, you will be able to clap and move in a special rhythm while singing the song Clappety Clap!

Materials and Prep

- No materials needed, just bring your energy and enthusiasm!
- Make sure to have enough space to move around freely.

Activities

Get ready for some fun activities:

1. Clappety Clap and Pat Your Knees: Clap along to the rhythm of the song while patting your knees.
2. Clappety Clap and Jump Up and Down: Clap in the special rhythm and jump up and down at the same time.
3. Clappety Clap and Spin Around: Clap to the beat and spin around in circles.
4. Freeze Dance Clap: Dance to the music and freeze in place whenever the music stops, then clap in the special rhythm.

Talking Points

- "Let's clap in a special way today! We will clap to the rhythm of the song."
- "When we hear the music, we will clap and move our bodies in different ways."
- "Clapping and moving to the beat is so much fun! Let's try it together."
- "Great job! You are a fantastic clapper and mover! Keep practicing and having fun with the rhythm."
