

## Objective

By the end of this lesson, you will learn about the history of car racing, famous car racers, and the different types of car races.

## Materials and Prep

- Computer or tablet with internet access
- Paper and colored pencils
- Excitement to learn about car racing!

## Activities

- **Research Task:** Using the computer or tablet, research the history of car racing and write down three interesting facts.
- **Coloring Fun:** Draw and color your dream racing car. Think about the colors and designs you would like on it.
- **Role Play:** Pretend to be a famous car racer and give a speech about your latest race. Be creative!

## Talking Points

- **What is car racing?**  
"Car racing is a sport where drivers compete to see who can drive their cars the fastest."
- **Types of car races:**  
"There are different types of car races like Formula 1, NASCAR, and drag racing. Each type has its own rules and tracks."
- **Famous car racers:**  
"Some famous car racers are Lewis Hamilton, Dale Earnhardt, and Danica Patrick. They are skilled drivers who have won many races."
- **History of car racing:**  
"Car racing has been around for a long time, starting with races between the first cars ever made. It has evolved into the exciting sport we know today."
