

Objective

By the end of this lesson, you will have learned all about giraffes and their dancing adventures in the book "Giraffes Can't Dance."

Materials and Prep

- Copy of the book "Giraffes Can't Dance"
- Coloring supplies
- Space to move and dance

No prior knowledge needed, just bring your curiosity and imagination!

Activities

- Read the book "Giraffes Can't Dance" together

We will explore the story of Gerald the giraffe and his journey to find his own unique dance moves.

- Color your own giraffe

After reading, you can color your own giraffe and give it a fun name!

- Dance like a giraffe

We will have a dance party where you can move and groove like a giraffe, swaying your long neck and legs.

Talking Points

- What is a giraffe?

"Giraffes are tall animals with long necks and spots on their bodies. They are the tallest land animals in the world!"

- Why couldn't Gerald dance at first?

"Gerald thought he couldn't dance because he was different, but he learned that everyone can dance in their own way."

- What did Gerald discover about himself?

"Gerald discovered that he could dance beautifully when he found his own special rhythm."

- What is your favorite part of the story?

"Share with me which part of the book you liked the most and why!"
