

Objective

By the end of this lesson, you will learn about some basic aspects of Islam and its teachings.

Materials and Prep

- Colorful paper
- Coloring pencils or markers
- Story book about Islam (optional)

No prior knowledge needed, just come with an open mind and curiosity!

Activities

- **Coloring Islamic Art:** Let's create beautiful Islamic patterns on colorful paper using coloring pencils or markers. These patterns are often found in mosques and Islamic art.
- **Story Time:** If you have a storybook about Islam, we can read it together and discuss the characters and lessons in the story.

Talking Points

- **What is Islam?** - "Islam is a religion that teaches us to be kind, helpful, and to love one another."
- **Mosques:** - "Mosques are special places where Muslims go to pray and learn more about their faith."
- **Prophet Muhammad:** - "Prophet Muhammad is a very important person in Islam. He taught people to be good and to help others."
- **Five Pillars of Islam:** - "There are five important things that Muslims do, like praying and being kind to others. These are called the Five Pillars of Islam."
- **Islamic Art:** - "Islamic art is very beautiful with colorful patterns and designs. We can create our own Islamic art too!"
