

Objective

By the end of this lesson, you will have explored various subjects through the lens of the beloved book "Matilda" and gained a deeper understanding of the themes and characters in the story.

Materials and Prep

- Copy of the book "Matilda" by Roald Dahl
- Pen and paper
- Access to the internet for research
- Basic knowledge of the plot of "Matilda"

Activities

- **Art:** Create a character sketch of Matilda or your favorite character from the book using your imagination.
- **English:** Write a short story where you are a student in Matilda's class and describe a day in your life with her as your classmate.
- **History:** Research the time period in which "Matilda" is set and create a timeline of key events that happened during that era.
- **Math:** Calculate how many books Matilda read in a week based on the information provided in the story.
- **Music:** Compose a short piece of music that you feel captures the essence of Matilda's character or a specific scene from the book.
- **Physical Education:** Create a workout routine inspired by Matilda's determination and resilience. Include exercises that challenge both your mind and body.
- **Science:** Conduct an experiment to test Matilda's telekinetic abilities. Explore the science behind telekinesis and share your findings.
- **Social Studies:** Explore the theme of justice in "Matilda" and discuss how societal norms and rules are portrayed in the story.

Talking Points

- **Art:** "Let's use our creativity to bring Matilda to life on paper. What features do you think define her character?"
- **English:** "Imagine being in Matilda's class. How would you interact with her and the other characters?"
- **History:** "Let's delve into the historical context of 'Matilda.' How did the time period influence the characters' lives?"
- **Math:** "Let's put our math skills to the test by calculating Matilda's reading habits. How many books do you think she read in a year?"
- **Music:** "Music has the power to evoke emotions. How can we capture the essence of Matilda's story through music?"
- **Physical Education:** "Physical fitness is important for both body and mind. How can we incorporate Matilda's determination into our workout routine?"
- **Science:** "Let's explore the science behind telekinesis and see if Matilda's abilities could be explained scientifically."
- **Social Studies:** "How does 'Matilda' reflect societal norms and values? Let's discuss the theme of justice in the story."
