

Objective

By the end of this lesson, you will have a better understanding of the story of Treasure Island and be able to answer questions about the characters, plot, and themes.

Materials and Prep

- Copy of Treasure Island book
- Pen and paper
- Quiet study area

No prior knowledge needed, just bring your enthusiasm and curiosity!

Activities

- **Character Sketch:** Choose a character from Treasure Island and draw a detailed sketch of them. Write a short paragraph describing their personality traits.
- **Map Making:** Create a map of Treasure Island, including key locations like the stockade, Ben Gunn's cave, and the Hispaniola. Label the map with important events from the story.
- **Treasure Hunt:** Create a scavenger hunt around your house or backyard. Write clues related to Treasure Island locations or characters.

Talking Points

- **The Setting:** "Let's talk about where the story takes place. Treasure Island is an adventurous tale set on a remote island filled with hidden treasures and danger."
- **The Characters:** "Who are the main characters in the story? Jim Hawkins, Long John Silver, and Captain Smollett are some of the key players in this exciting adventure."
- **The Plot:** "What is the main goal of the characters in Treasure Island? How do they work together to find the hidden treasure and outsmart the pirates?"
- **The Themes:** "What are some of the themes in the story? Friendship, loyalty, and bravery are important themes that we can explore in Treasure Island."
