

## Objective

By the end of this lesson, you will be able to create your own exciting narrative story.

## Materials and Prep

Materials needed: Paper, pencil, crayons/markers

Prep: None

## Activities

- **Story Starters:** Write down 3 different story starters on separate pieces of paper. Choose one and start your story based on that.
- **Character Creation:** Draw a picture of your main character and write a short description of who they are.
- **Setting Exploration:** Draw the setting of your story. Is it in a magical forest or a spaceship?
- **Story Mapping:** Create a map of your story. What are the main events that will happen?

## Talking Points

- **Imagination is Key:** "Use your imagination to create a world where anything is possible."
- **Characters Bring Stories to Life:** "Think about who your characters are and what they want."
- **Setting Sets the Scene:** "Describe where your story takes place to make it more exciting."
- **Beginning, Middle, End:** "Every story has a beginning, middle, and end. Make sure your story follows this structure."
