

## Objective

By the end of this lesson, you will be able to identify and describe the characters and events in the Number Blocks series on Netflix.

## Materials and Prep

- A device with access to Netflix
- Paper and pencil

## Activities

1. Watch an episode of Number Blocks on Netflix.

Pay attention to the characters and events happening in the episode.

2. After watching the episode, write down the names of the main characters in the series.

Next to each character's name, write a short description of what they can do or what their special abilities are.

3. Choose one event from the episode and draw a picture to represent it.

Underneath the picture, write a sentence or two describing what happened in the event.

4. Share your drawings and descriptions with a family member or friend.

Explain to them who the characters are and what happened in the event you chose.

## First Grade Talking Points

- "In the Number Blocks series, there are characters called Number Blocks. They are numbers that come to life and go on adventures."
- "Each Number Block has a special ability. For example, Number Block One can stretch and Number Block Five can split into two Number Blocks."
- "In one episode, the Number Blocks go on a picnic. They have a fun time eating and playing games."
- "Another episode is about the Number Blocks going on a treasure hunt. They have to solve puzzles and find the hidden treasure."
- "The Number Blocks help us learn about numbers and counting while having fun with their adventures."
