

Objective

By the end of this lesson, you will be able to crochet your own Kmart koala bear!

Materials and Prep

Materials needed:

- Yarn in grey, white, and black
- Crochet hook
- Stuffing
- Scissors
- Yarn needle

Things to know before the lesson:

- Basic crochet stitches like chain stitch and single crochet
- How to read a crochet pattern

Activities

- Crochet the body of the koala bear using grey yarn and single crochet stitches.
- Crochet the ears and nose of the koala bear using white and black yarn respectively.
- Assemble all the parts together and stuff the koala bear to give it a 3D shape.

Talking Points

- Quotation: "Crochet is like using yarn to create your own fabric art!"
- Quotation: "Each stitch you make brings your koala bear closer to life!"
- Quotation: "Remember to keep your tension consistent to ensure a neat finished project."
- Quotation: "Practice makes perfect, so don't worry if your first try isn't perfect!"
