

## Objective

By the end of this lesson, the student will be able to greet others in Lao, introduce themselves, and use simple phrases in everyday conversations.

## Materials and Prep

- Notebook and pencil for writing down phrases
- Flashcards for vocabulary words (you can make these with paper)
- A mirror for practicing pronunciation
- Optional: A timer for games

Before the lesson, familiarize yourself with some basic Lao greetings and phrases. You can also prepare a list of fun vocabulary words related to animals, food, and colors.

## Activities

- **Greeting Game:**

Start by teaching the student how to say "Hello" (ສາບາດີດີ - sabaidee) and "Goodbye" (ລາຍໂບນ - laai bon) in Lao. Use flashcards to practice. Then, have a fun greeting game where you pretend to meet different people and practice the greetings.

- **Self-Introduction:**

Teach the student how to introduce themselves with their name and age. For example, "My name is [name]" (名前が [name] です) and "I am [age] years old" (年齢が [age] 歳です). Let them practice in front of a mirror to build confidence.

- **Vocabulary Flashcards:**

Create flashcards with pictures and Lao words for animals, food, and colors. Review these cards together, saying the words out loud. You can also play a matching game where the student matches the Lao word to the picture.

- **Role-Playing:**

Set up a role-playing scenario where the student pretends to order food at a restaurant or talk to a friend. Use simple phrases and encourage them to use what they have learned. This will help them practice speaking in a fun way!
