

Objective

By the end of this lesson, Holo will explore fun words from the show "Shameless," learn their meanings, and use them in simple sentences. This will help Holo develop vocabulary and an understanding of how words can be used in different contexts.

Materials and Prep

- Paper
- Crayons or markers
- A list of special words from "Shameless" (e.g., family, love, fun, friends, etc.)
- A comfortable space for reading and activities

Before the lesson, think about the meanings of the special words and how they can relate to everyday life. Prepare to explain them in a fun and engaging way!

Activities

- **Word Drawing:** Holo will choose a special word and draw a picture that represents it. For example, if the word is "family," Holo can draw a picture of their family.
- **Story Time:** Read a simple story that includes some of the special words. After reading, ask Holo to point out the words they recognize.
- **Word Match:** Create a matching game with the special words and their meanings. Holo can match a word with a picture that represents it.
- **Sentence Creation:** Help Holo create simple sentences using the special words. For example, "I love my family!"
- **Word Dance:** Make a fun dance for each word. For example, a happy dance for "fun" or a hug for "family." Dance together to reinforce the meanings!
