

## Objective

By the end of this lesson, Rosabella will be able to identify nouns and verbs, understand the concept of synonyms, and use them in simple sentences. She will have fun while learning through engaging activities and games!

## Materials and Prep

- Paper
- Colored markers or crayons
- Sticky notes
- Timer (optional for games)

Before the lesson, make sure to have a quiet space for activities. Familiarize yourself with some common nouns and verbs, as well as a few synonyms to use in the activities.

## Activities

### • Noun and Verb Hunt:

Rosabella will go on a "hunt" around the house or yard to find objects (nouns) and actions (verbs). She can write down or draw what she finds on paper. For example, she might find a "cat" (noun) and "jumping" (verb).

### • Synonym Match Game:

Using sticky notes, write down a word and its synonym on separate notes. Mix them up and challenge Rosabella to match the words together. For instance, match "happy" with "joyful".

### • Sentence Creation:

Rosabella will create her own sentences using nouns and verbs. She can illustrate her sentences with drawings. For example, "The dog runs" can be illustrated with a picture of a dog running.

### • Story Time:

Read a short story together and ask Rosabella to identify the nouns and verbs in the story. Discuss any synonyms she can think of for the words in the story.

## Talking Points

- "A noun is a person, place, or thing! Can you name some nouns?"
- "A verb is an action word! What are some things you like to do?"
- "Synonyms are words that mean the same thing. Can you think of a word that means the same as 'big'?"
- "When we use nouns and verbs together, we can make sentences that tell a story!"
- "Let's play a game! Can you find something in the house that is a noun?"
- "Great job! Now, can you tell me a synonym for 'happy'? How about 'joyful'?"
