Activities

• Read about Rosie: A Better Beach for Everyone

Start by reading the story of Rosie, who works to improve her local beach. After reading, discuss the main themes and ask questions to encourage critical thinking about community service.

• Make a Flip Book about the 3 R's

Create a fun flip book illustrating the concepts of Reduce, Reuse, and Recycle. Each page can feature drawings and examples of how to practice these principles in daily life.

• Random Acts of Kindness Day

Brainstorm and perform several random acts of kindness in the community. This could include helping a neighbor, leaving kind notes in public places, or making a get well card for Mrs. Amanda.

• Community Cleanup

Organize a cleanup day at a local park. Equip the student with trash bags and gloves, and spend time picking up litter while discussing the importance of keeping the community clean.

• Explore Community Symbols

Research different community symbols and discuss their meanings. Create a poster showcasing these symbols and what they represent for the community.

Talking Points

- "What are some ways we can make our community better?"
- "Why is it important to take care of our environment?"
