

## Objective

By the end of this lesson, the student will be able to understand the basic rules of cricket, apply simple math to scorekeeping, create an art project related to cricket, and express their thoughts in English through writing.

## Materials and Prep

- Paper
- Pencil or Pen
- Colored pencils or markers
- Cricket score sheet template (can be made on paper)
- Information about cricket (rules, positions, etc.)

Before the lesson, familiarize yourself with the basic rules of cricket and prepare a simple score sheet template for the student to use.

## Activities

### • Cricket Rules Overview

Start by discussing the basic rules of cricket. Explain how the game is played, the roles of batsmen and bowlers, and how to score runs. Use simple language and examples to make it clear.

### • Scorekeeping Math

Introduce the student to a cricket score sheet. Have them practice keeping score of a mock game by calculating runs, wickets, and overs. This will help them apply addition and subtraction in a fun way!

### • Cricket Art Project

Ask the student to create a colorful poster about cricket. They can draw their favorite player, a cricket field, or even a scene from a game. Encourage creativity and use of bright colors!

### • Write a Cricket Story

Have the student write a short story about a cricket match. They can make it fictional or based on a real game they've watched. This will help them practice their English writing skills.

## Talking Points

- "Cricket is a team sport played between two teams of 11 players each!"
- "The main goal in cricket is to score more runs than the other team. Can you tell me how we can score runs?"
- "When a batsman hits the ball, they run between two sets of wickets to score runs. How many runs do you think they can score in one hit?"
- "In cricket, we have overs. An over consists of 6 legal deliveries bowled by a bowler. Why do

you think we have overs?"

- "Keeping score in cricket is like a math puzzle! What do you think is the most important thing to keep track of?"
- "Art is a great way to express your love for cricket! What colors do you think represent your favorite team?"
- "Writing about cricket helps us share our thoughts and experiences. What was your favorite cricket match and why?"
- "Cricket can teach us teamwork and strategy. Why do you think teamwork is important in sports?"
