

Objective

By the end of these 10 lesson plans, Jeniffer and Dominique will have developed a deeper understanding of various subjects through engaging activities and discussions. They will enhance their critical thinking, creativity, and collaboration skills while enjoying the learning process.

Materials and Prep

- Access to the Canva workbook linked above
- Pens and colored markers
- Notebooks for journaling
- Printouts of selected pages from the workbook
- Basic art supplies (scissors, glue, etc.)
- Timer for timed activities
- Space for group discussions and activities

Activities

1. **Creative Storytelling:** Using prompts from the workbook, Jeniffer and Dominique will create a short story together. They can take turns writing sentences and illustrating scenes.
2. **Artistic Expression:** Select a theme from the workbook and create a collage or drawing that represents that theme. They can use cutouts, drawings, and other materials to express their ideas.
3. **Group Discussions:** After completing a section of the workbook, hold a discussion about the key concepts. Encourage them to share their thoughts and ask questions.
4. **Role-Playing:** Choose a scenario from the workbook and have them act it out. This will help them understand different perspectives and develop empathy.
5. **Mind Mapping:** Create a mind map based on a topic from the workbook. This visual representation will help them organize their thoughts and understand relationships between concepts.
6. **Quiz Time:** After completing a section, create a fun quiz based on what they learned. They can quiz each other to reinforce knowledge.
7. **Outdoor Learning:** Take an activity from the workbook outside. This could be a nature walk where they observe and document their findings related to a topic.
8. **Creative Presentations:** Have them prepare a short presentation on a topic from the workbook. They can use visuals and practice their public speaking skills.
9. **Reflection Journals:** At the end of each lesson, they will write a reflection about what they learned and how they felt about the activities.
