Write a sentence for each spelling word. Try to make your sentences about real or imaginary world records!

On a piece of paper, draw a grid (like 10 squares across and 10 squares down). Hide your spelling words inside the grid (horizontally, vertically, or diagonally). Fill the empty squares with random letters. Can you find all your words? Maybe a grown-up can try to find them!

Imagine YOU could set a world record for absolutely anything! What would it be? Write a short paragraph describing your **extraordinary** record **achievement**. Be sure to use at least 3 of your spelling words in your paragraph.

Wrap-up & Review:

Read through your definitions and sentences. Are all the words spelled correctly? Practice any words you found tricky. You could even have a practice spelling test to see how many record-breaking words you've mastered!
