

## Objective

By the end of this lesson, you will be able to read and comprehend a chapter from the Magic Treehouse book series.

## Materials and Prep

- A copy of the Magic Treehouse book
- A comfortable reading space

## Activities

1. Choose a chapter from the Magic Treehouse book.

Find a cozy spot to sit and begin reading the chapter aloud.

2. Pause after each page or paragraph and ask questions to check comprehension. For example:

- "What is the main character's name?"
- "Where does the story take place?"
- "What do you think will happen next?"

3. After finishing the chapter, discuss the story with your child. Ask open-ended questions to encourage critical thinking and personal connections. For example:

- "What was your favorite part of the chapter?"
- "How do you think the characters felt in that situation?"
- "Can you relate to any of the events in the story?"

## First Grade Talking Points

- "In this book, we will join Jack and Annie on their magical adventures."
- "We will read the story together and stop to discuss what is happening."
- "After we finish reading, we will talk about the story and share our thoughts and feelings."
- "Reading books helps us imagine and learn new things."
- "Listening to stories can be fun and exciting!"
