

Objective

By the end of this lesson, you will be able to create a Halloween-themed artwork and appreciate the different elements of art used.

Materials and Prep

- White paper
- Colored pencils or crayons
- Scissors
- Glue
- Halloween-themed images (can be printed or drawn)

Before starting the lesson, make sure you have all the materials ready and familiarize yourself with the concept of Halloween.

Activities

1. Create a Halloween Collage:

- Using the Halloween-themed images, cut out different shapes and objects.
- Arrange and glue the cut-out images on a white paper to create a spooky Halloween scene.

2. Color the Halloween Scene:

- Use colored pencils or crayons to add vibrant colors to your Halloween collage.
- Think about the mood and atmosphere you want to create with your colors.

First Grade Talking Points

- "Halloween is a holiday celebrated on October 31st. It is a time when people dress up in costumes and go trick-or-treating."
- "Art is a way to express our creativity and imagination. Today, we will be creating a Halloween-themed artwork."
- "Collage is a type of artwork where we glue different pictures or materials onto a surface to create a new image."
- "When creating your Halloween collage, think about the different elements of art such as shapes, colors, and textures."
- "You can use colored pencils or crayons to add colors to your Halloween scene. Think about the mood and atmosphere you want to create."
- "Once you have finished your artwork, take a moment to appreciate the effort and creativity you put into it. Art is a wonderful way to express ourselves!"
