

# Dino-Mite Nouns and Verbs!

Get ready for a roaring adventure into the world of words! Today, we're going on a dinosaur dig to find two special types of words: Nouns and Verbs.

## What are Nouns and Verbs?

- **Nouns** are words that name a person, place, thing, or idea. Think of dinosaurs, fossils, volcanoes, or paleontologists!
- **Verbs** are words that show action or a state of being. Think of dinosaurs that stomp, roar, eat, or sleep!
