

Objective

By the end of this lesson, you will be able to read and comprehend a short story about Lego Ninjago.

Materials and Prep

- Lego Ninjago book or story
- Paper and pencil

Activities

1. Warm-up: Discuss Lego Ninjago (5 minutes)
Talk about Lego Ninjago with the student. Ask them what they already know about the characters and the story.
2. Read the story together (10 minutes)
Read a short Lego Ninjago story together. Encourage the student to follow along and point out any words they recognize.
3. Comprehension questions (10 minutes)
Ask the student some simple questions about the story to check their understanding. For example, "Who are the main characters in the story?" or "What was the problem they had to solve?"
4. Draw your favorite scene (10 minutes)
Have the student draw their favorite scene from the story. Encourage them to include details and use their imagination.
5. Write a sentence about the story (10 minutes)
Ask the student to write a sentence describing what happened in the story. Help them with spelling and encourage them to use their best handwriting.

First Grade Talking Points

- "Today we are going to read a story about Lego Ninjago. Can you tell me what Lego Ninjago is?"
- "Let's read the story together. Remember to pay attention to the words and the pictures."
- "Now, I have some questions for you. Who are the main characters in the story? Can you describe what happened in the story?"
- "Great job! Now it's time to get creative. Please draw your favorite scene from the story."
- "Finally, let's write a sentence about the story. What do you want to say about it?"
