### Warm-Up: Favorite Moments (5 mins)

Let's start by thinking about our favorite porous, yellow friend! What's your favorite Spongebob character or episode? Why? Let's list a few things we love about the show.

### Instruction: Meet the Parts of Speech! (15 mins)

Okay, let's learn about our grammar stars for today!

1. **Nouns (The 'Who' and 'What!')**: A noun is a person, place, thing, or idea. Think about all the things in Bikini Bottom!

\* *Person*: **Spongebob, Patrick, Mr. Krabs, Sandy Cheeks**

\* *Place*: **Krusty Krab, Bikini Bottom, Goo Lagoon, Jellyfish Fields**

\* *Thing*: **Krabby Patty, spatula, net, clarinet**

\* *Idea*: **friendship, laughter, adventure**

2. **Verbs (The 'Action!')**: A verb shows action or a state of being (like 'is', 'are', 'was'). What do the characters DO?

\* *Action*: Spongebob **laughs**. Patrick **eats**. Sandy **builds**. Squidward **plays**. Plankton **schemes**.

\* *State of Being*: Spongebob **is** yellow. Patrick **is** pink. The Krabby Patty **is** delicious.

3. **Adjectives (The 'Describers!')**: An adjective describes a noun. It tells us \*what kind\* or \*how many\*. How would you describe things in Bikini Bottom?

\* Spongebob is **yellow, square**, and **absorbent**.

\* Patrick is **pink** and **friendly**.

\* Squidward is **grumpy**.

\* Krabby Patties are **tasty**.

### Activity 1: Sentence Sorting Mania! (15 mins)

Let's practice! I'll write some sentences about Spongebob on the board. Your job is to find the Nouns, Verbs, and Adjectives. Use different colored markers to underline them: Blue for Nouns, Red for Verbs, Green for Adjectives.

*Example Sentences:*

- **Funny** Spongebob *works* at the Krusty Krab. (Adj-Green, Noun-Blue, Verb-Red, Noun-Blue)
- Patrick *loves* **tasty** Krabby Patties. (Noun-Blue, Verb-Red, Adj-Green, Noun-Blue)
- **Grumpy** Squidward *plays* his **loud** clarinet. (Adj-Green, Noun-Blue, Verb-Red, Adj-Green, Noun-Blue)
- Sandy Cheeks *builds* **amazing** rockets. (Noun-Blue, Verb-Red, Adj-Green, Noun-Blue)
- **Tiny** Plankton *wants* the **secret** formula. (Adj-Green, Noun-Blue, Verb-Red, Adj-Green, Noun-Blue)

(Guide the student through the first one, then let them try the others, offering help as needed.)

## Activity 2: Bikini Bottom Sentence Creator! (10 mins)

Now it's your turn to be the writer! Let's write some Spongebob words on index cards:

- **Nouns:** Spongebob, Patrick, Gary, Jellyfish, Bubble, Pineapple
- **Verbs:** Jumps, Sings, Hides, Floats, Cooks, Naps
- **Adjectives:** Happy, Slimy, Goofy, Big, Annoying, Bubbly

Mix up the cards in piles by type (Noun, Verb, Adjective). Draw one card from each pile. Now, create a sentence using those three words! It might be silly, and that's okay! Write down 3-5 sentences you create.

*Example:* Draw 'Gary' (Noun), 'Naps' (Verb), 'Slimy' (Adjective). Possible sentence: "**Slimy** Gary naps."

## Wrap-Up & Quick Check (5 mins)

Great job exploring Bikini Bottom grammar! Can you tell me again, what is a noun? A verb? An adjective?

For a final check, write one sentence about your favorite Spongebob character doing something. Then, underline the noun, circle the verb, and draw a squiggly line under any adjectives you used!
