Hello Little Learner! Today we're going to have fun with a very famous snowman named Frosty!

### 1. Frosty's Song & Story Time (5-7 minutes)

Let's listen to the Frosty the Snowman song or read the story together. Sit comfortably and listen carefully. Can you hear Frosty's name? *(Play song or read story)*

### 2. Who is Frosty? (3-5 minutes)

Who was the story/song about? *(Guide child to say 'Frosty' or 'Snowman')*. That's right! Frosty the Snowman! What did Frosty wear on his head? *(Guide: 'Hat')*. What color was his nose? *(Guide: 'Orange' or 'Carrot' depending on version)*.

### 3. Frosty Says... (Movement Break!) (3-5 minutes)

Let's pretend to be Frosty! Stand up!

- Frosty says... March around! *(March in place)*
- Frosty says... Stop! *(Freeze)*
- Frosty says... Wave hello! *(Wave)*
- Frosty says... Melt a little! *(Crouch down)*
- Frosty says... Stand tall like a snowman! *(Stand up straight)*

*(Optional: Use a scarf or hat during this activity)*

### 4. Draw Frosty's Face (3-5 minutes)

Let's draw Frosty! Take your white paper. Can you draw two circles for eyes? *(Guide hand if needed)*. Let's use the orange crayon to make a triangle nose, like a carrot! Good job! Now, let's make a happy smile with little dots (coal).
